INSTALLATION

The Mini-Kitchen should be installed so that it can be pulled forward from the wall to allow for servicing access.

Waste and water supplies should be positioned on the side of the sink as access behind the refrigerator is limited.

The Mini-Kitchen complies with requirements of the following EU directives:

- 73/23/EEC, dated 19.02.1973 – low voltage directive
- 89/336/EEC, dated 03.05.1989 (incl. amendment)
- 92/31/EEC) directive on electromagnetic compatibility

Appliances are covered by the Manufacturers Guarantee.

We reserve the right to change the specification without prior notice. If a particular point is critical to you please check before you purchase.

JOHN STRAND (MK) LTD CONDITIONS OF TRADE

1. GENERAL

In these conditions:
"Seller" means John Strand (MK) Ltd.
"Buyer" means the person, firm or company who places an order with the Seller for the manufacture and/or supply of any goods

2. ACCEPTANCE

Orders are subject to these Conditions of Trade. Any different conditions on the Buyer's document will only apply if the Seller agrees in writing.

3. TERMS

Payment for goods must be made before delivery. Where customers have approved accounts, these are due for settlement 30 days from the date of invoice. Accounts are payable strictly nett.

4. PRICES

Unless otherwise agreed by the Seller in writing, quotations are held open for acceptance for a period of 12 weeks from the date they are issued. The prices charged will be the prices supplied by the Seller and are exclusive of VAT.

5. DELIVERY PERIOD

Time of delivery will not be of the essence of the contract. The period quoted for delivery commences on the date the order is acknowledged but is an estimate only. While the Seller will use all reasonable commercial endeavours to deliver the goods by the date specified, the Seller will not be liable in any way for unforeseen delays.

6. LOSS OR DAMAGE IN TRANSIT

Any damages or shortages must be reported to the Seller within 3 working days and the Delivery Note must be marked 'Damaged or Goods Missing'. Otherwise it will be deemed that the goods have been received 'Complete' and in 'Good Condition'.

7. RISK

The risk in the goods will pass to the Buyer on delivery and in the event of the goods being later lost or destroyed by fire or burglary or due to any other mishap or accident the Buyer will still be responsible to the Seller for payment.

8. DEFECTIVE MATERIALS AND GOODS

The Buyer will have the benefit of and be subject to such product guarantees of quality as the Seller may from time to time provide in respect of goods manufactured and/or supplied by the Seller and the Buyer is deemed to have full knowledge of the terms of such guarantees. Copies of the guarantees will be supplied by the Seller on request. The seller makes no other representations or warranties in relation to the goods other than those contained in the guarantees.

Subject to the provisions of such guarantees and to the extent that is permitted by law, the Seller excludes its liability for any loss or damage suffered by the Buyer in connection with the goods or their use.

9. ALTERATION TO DESIGN AND SPECIFICATION

The Seller reserves the right to alter, modify or improve the design or specification of any goods without notification.

10. CANCELLATION OF ORDERS

We regret that the Seller is unable to accept cancellation of orders for goods manufactured to customer's special requirements unless first agreed by the Seller in writing. All other cancellations will be subject to a 25% charge against the cost of the goods ordered for re-stocking. Additional delivery and collection charges will apply.

11. OWNERSHIP

The legal ownership of all goods ordered will remain with the Seller until full payment has been received from the Buyer.
